A couple of the different locks encountered in order to progress through the challenges. Directional and combination.

Some "Steam Punk" art work recently added to our lobby area

What are we?

Rock Escape Rooms are a relatively new business based in Gibraltar on Devil's Tower Road, offering the ever-increasingly popular entertainment and leisure activity of escape rooms.

An escape room is a live-action adventure game wherein players (customers) are challenged with escaping a room, or a series of rooms within a 60 minute time frame. During that 60 minutes they are tasked with solving a range of puzzles and challenges to eventually escape the room.

If players get stuck at a certain point, clues are available to help them towards solving that section of the game.

Rock Escape Rooms currently has 3 games with the intention of adding a 4th very soon. It opened for business on the 15th May 2017.

Escape rooms are an up and coming entertainment and leisure activity, but are quickly becoming a very popular activity for team building and social events due to their cohesive and practical nature.

It's imperative that the group of people who enter a certain escape room work together to complete all of the challenges, if participants are silent and separate there is a high probability of not completing it within the time limit.

Our Games

We currently have three established games of which two have been live for 6 months and the other is more recently live, and one more which is in planning and due to go live in January.

Room 83 (Max 5 People)

A horror-themed murder mystery, players are immersed into solving a horrific murder at a local Gibraltar hotel. Clues will be found while players complete each stage to eventually find out who the murderer is and escape the room!

The Box (Max 5 People)

A rescue mission involving a secret meeting to discuss some suspicious activity on the ship's radar, with an expected attack, players need to find The Box of Gibraltar and escape before it falls into enemy hands!

The Experiment (Max 4 People)

Players are human test subjects in a hallucinogenic gas experiment, commissioned by an eccentric doctor. Players need to figure out what is real and what is not to find the antidote, cure themselves and escape to report their findings.

Casino Heist – Planned for December (Max 5 People)

Criminal mastermind Pablita Escoban is one of the richest people in Gibraltar. Locked away in a safe within her private casino are riches worth millions. Can you and your team of thieves break in and steal as much as you can before the guards return? Be warned, if you get caught she is not known for taking prisoners...

Location

Rock Escape Rooms is located just 10 minutes' walk from the border, Casemates Square and Ocean Village. We have a good breakdown of [how to arrive](#) here on our website and we are about to put up some more signage so that we can be found from the main roundabout just after the runway, entering Gibraltar.

Benefits of Team Building

We believe there are a number of benefits which transpire as a result of playing escape games with teams from businesses, to name a few of the main ones:

Teamwork

Teams have to work together to escape, everyone is focused on a single objective of overcoming every challenge and obstacle within the allotted time. If there is no team work and people act alone it becomes a much tougher task.

Communication

A sub-product of the above, it's important for teams to communicate exactly what's going on with whichever aspect of the game they are playing. Two or three people being called over to be inquisitive of a certain challenge is better than one person tackling it solo.

Quick Decision-Making

Throughout the game teams have to make fast decisions, trying new approaches, leaving non-working approaches behind.

Outside the box thinking

Facing a varied range of obstacles, teams and individuals will need to analyse all aspects of each stage of the game to beat it, this brings out skills individuals and teams perhaps did not know they had!

Example Schedules and Capacities

We currently have 3 games open, two of them have a capacity of 5 and one has a capacity of 4. Meaning we can hold 14 people during a 1 hour session, we can squeeze another couple of people in if required. This means we can accommodate up to 28 people in a 2.5 hour period. Or 56 in a 6 hour period.

For a group size of 28 for example, we would run all the games simultaneously and consecutively, an example schedule would look like the following:

3 Games simultaneous and consecutive

2pm – The first 3 games begin (14 people max)

3pm – All games finish and a half an hour reset occurs to prepare games for next groups

3:30pm – The second 3 games begin (14 people)

4:30pm – All finished

Alternatively if the numbers suit better, we can run just two games, an example schedule would like like the below:

2 Games simultaneous and consecutive

2pm – The first 2 games begin (10 people max)

3pm – All games finish and a half an hour reset occurs to prepare games for next groups

3:30pm – The second 2 games begin (10 people)

4:30pm – All finished

Upon release of our new game in January, we will be able to accommodate 20 participants in a 1 hour time slot.

Prices/Costs

Our current pricing structure for individual games is as below. The price for adults depends on group size:

- 2 Adults = £20 each (£40 total)
- 3 Adults = £18 each (£54 total)
- 4 Adults = £17 each (£68 total)
- 5 Adults = £16 each (£80 total)

We have discounted prices for larger groups:

- £15 per person for groups of 20+
- £14 per person for groups of 40+
- £13 per person for groups of 60+

Some example prices for varying group sizes:

No. of Participants	Price per Person	Total Price	Saving
10	£16	£160	
15	£16	£240	
20	£15	£300	£20
25	£15	£375	£25
30	£15	£450	£30
35	£15	£525	£35
40	£14	£560	£80
45	£14	£630	£90
50	£14	£700	£100
55	£14	£770	£110
60	£13	£780	£180
65	£13	£845	£195

Past Clients and Reviews

Rock Escape Rooms has had the pleasure of hosting many teams from various different sectors of Gibraltar, KPMG, Moore Stephens, EY and Jyske Bank from accounting, insurance and finance. Coral, Lottoland and BetVictor from gaming and the RAF, Medical division and the armed forces from the base just down the road from us.

Here are a few reviews of their team building events:

Reviewed August 30, 2017

Great experience and fun!

Thoroughly enjoyed our experience at Rock Escape Rooms in Gibraltar! We went as a group from work, split into two groups and each group completed a room...we will definitely be back to complete the other room! Had a great time, great buzz!!

Reviewed September 13, 2017

Had a great time!

We were four groups from work in all, the staff were extremely helpful when booking and organisation on the day was excellent. Very well thought out, everyone who went had a great time, we haven't been able to stop talking about it since. Definitely recommend for families and groups!

Emphasis on Quality

We have many 5 star reviews from our first 5 months of trading and intend to continue to deliver this level of quality and standard (and better!) for as long as we are active.

In total we have 94 x 5 star reviews and 2 x 4 star reviews across Facebook and Tripadvisor from our first 5 months of trading which we believe is a result of our emphasis on quality and we fully intend to continue and even improve this.

Flexibility & Bespoke Ideas

We are still quite a new business so we can be very receptive to bespoke ideas from clients who want to spice up their team building day. As some general examples:

- Overall tournament with prize for best time/least clues
- Adding things into the games
- Allowing management to monitor the games with our Gamesmasters to see the interaction of the teams
- In relation to above, analysis of team roles within games
- Seasonal additions such as mince pies for Christmas
- Building separate games outside of our building, around Gibraltar

And anything else we are open to discuss to see if we can accommodate.

Insurance and Access

We currently have public liability insurance cover up to £1,000,000

Having said this, our games do not involve any dangerous, or even physical activity, so they are suitable for the majority of people.

We unfortunately currently do not have any disabled access and require 1 person from each group to not have any visual, mobility or hearing impairments so the group can complete all challenges in the game.

Contact

We can be contacted at any time via private message through our [Facebook page](#) we aim to reply always within 1 hour here.

We can also be contacted via email at rockescaperooms@gmail.com
